Points for discussion

1. Postgraduate Forum
There will be a meeting in early February where senior members of the university will be invited to hear concerns/feedback from postgraduate students. Held at DSU, open to all.
Action DC to send email to members asking for items to go onto a fixed agenda.
2. Website
Tim has done an excellent job on the website. Any suggestions for content, dates etc welcome
3. MCR PresComm
Meetings attended by DC every 3 weeks, would like emails from members to feed into these meetings.
4. Inter-collegiate MCR Ball
A committee has been formed to organize the inter-collegiate MCR Ball. Date and details TBC but likely to be in Easter holidays (18/19th April??)
5. Socials
 - Christmas party last term – went extremely well, >30 people attended
