

Grey College MCR
Executive Committee Meeting
25/05/2014
Minutes

In attendance: Craig, Noah, Christy and James

Apologies received from Alice, who is ill. Charlotte absent.

1. President's Business

- They are looking into MCRs collaborating more on things like trips and events, as it's difficult for one MCR to fill a coach.
- James puts forward the idea to rent out a coach to go somewhere like Whitby over the summer
- We will also be working more closely with the DSU
- James puts forward the idea of a leavers meal to the Slug and Lettuce, Fat Buddha, or Nandos in July or August
- Craig spoke to Peter Swift, who thinks that there might be a way to use the MCR Leavers formal date for our Inter-MCR Formal, subject to approval from Karen.
- Welfare Update: Charlotte and Craig attended a meeting with the JCR Welfare people and it looks like we can run a welfare system alongside theirs for simplicities sake rather than merging the two
- OGM Date set for 7:30pm on June 20th 2014

2. Treasurers Business

- James has emailed several members from last years MCR with quotes for the website
- Sections for the website for research and research seminars are done
- Jermaine Holmes is happy to give a talk on dissertations in July. James will assess the number of people to see if it's worth it.

Action Points

- Noah will send out email about OGM on June 20th 2014 at 7:30pm, MCR Treasurer is up for election. The deadline for posting motions for the OGM will be June 14th.

- Noah will send out an email reminding MCR Exec members of our meeting on the 15th at 11:00am.
- Everyone else will wrap up meeting points from last meeting.
