Bibliography on Bishop Christopher Butler O.S.B.

by Anne T. Flood, S.C. Ph.D.

This bibliography of works by Bishop B.C. Butler, and of a selection of reviews of some of these works, was compiled in 1981 by Sister Anne Flood for her doctoral dissertation at The Catholic University of America. With the later addition of three titles (nos 16-18) inadvertently overlooked or then as yet unpublished at the time of its original compilation, the bibliography contains 413 entries. With the kind permission of Sister Anne, the complete bibliography is made available to readers of the Bishop Christopher Butler Papers, held in the Special Collections of Durham University Library.
